HASSLE-FREE APPLICATION

EXCEPTIONAL TECHNICAL SERVICE

MULTIPLE USAGE AREAS

With the new Jotafloor EPC 300 PLUS, your business has the foundation for success. Jotafloor EPC 300 PLUS offers you both durability and support from the start of your project, past the finish. Our technical service team is dedicated to helping you through every aspect of the installation, treatment, and post-treatment process to ensure your floors will last.

We understand that choosing a floor isn't about its immediate installation; it's about all the spills, heavy wheels, and much more, that your floors will see daily. That's why we are here to support you.
